

## **COMPETITION LAW CHANGE: SOME EUROPEAN TRAJECTORIES**

David J. Gerber

This presentation focuses on the factors that have influenced change in European competition law. It outlines a conceptual framework for identifying the influences on decision-making in European Union institutions, primarily the European Commission. The focus is on the factors that influenced the major changes in competition law that occurred in the 1990s and shaped the “modernization of European competition law in 2004.
